## **CHAIRMAN'S LETTER**

Ladies & Gentlemen

Well at long last, it seems like an eternity but we are once again looking forward to holding our two Shows this year.

I really hope that you have all stayed in good health during these last two years.

From what I have heard, I know that the Chrysanth Boys have still been exhibiting as have a couple of our Dahlia Members.

The Society did hold their Dahlia Tuber Sale in November of last year, quite successful, but not on par as to when it's held in conjunction with the late Show.

Sadly, we have lost another two of our long standing Committee Members, that of Wreford Stainer who passed away on the 15th of January 2021 and Keith Wareham who passed away in March of this year after a long illness.

Wreford will be remembered for many things including holding office of Chairman and Show Manager for many many years.

We will be once again welcoming the Western Group to our late Show in November.

I sincerely hope that you all have a very successful growing season and look forward to seeing you all later this year.

Best wishes

Stay safe
